けん し ちょうそんがいこくせきじゅうみんそうだんまどぐち かながわけん いっぱんそうだん 県・市町村外国籍住民相談窓口(P2)の神奈川県の一般相談 The Kanagawa Prefectural Government is aiming to promote "safe and secure community free from crime". Though the police are tightening control, it is also important for every resident to have an anticrime awareness that they have to protect their community by themselves.

- **Burglary**: The number of cases of trespassing by breaking a door or window of a house is on the rise. Be sure to lock the door when you leave your house even for a short time, and attach an anticrime device such as an auxiliary lock.
- **Kidnapping:** Adults are responsible for protecting children from criminals.

Tell your children the following advice. ① Do not play alone. ② Do not follow a stranger. ③ Call for help in a loud voice when scared.
